Occasionally, we may take photographs of the children at our school. We may use these images in our school's prospectus or in other printed publications that we produce, as well as on our website. We may also make video or web cam recordings for the school to school conferences, monitoring or other educational use.

From time to time the media may visit the school and take photographs or film footage of a visiting dignitary or other high profile event. Pupils will often appear in these images, which may appear in local or national newspapers, or on televised news programmes.

To comply with the Data Protection Act 2018, we need your permission before we can photograph or make any recordings of your child. Please answer the questions below, sign and date the form where shown and return the completed form to the school as soon as possible.
