

## Memories of Mr Rein

*For years you have helped us to follow God's word  
Collective Worship on Mondays we all have heard.*

*Your belief in the Gospels is obvious to all  
And you show us the way to answer God's call.*

*You are a great coach on the rugby field  
Inspiring us to challenge ourselves and not yield.  
Win, lose or draw you are on our side  
Cheering us on as an inspirational guide.*

*We describe you as tall and smartly dressed  
Arriving at school with suits neatly pressed.  
You are knowledgeable, wise and sometimes funny  
Organising activities at playtime even when it's not sunny.*

*You have always kept us safe from harm  
Showing compassion, kindness and calm.  
You have corrected our spelling, writing and grammar  
Setting a good example and teaching us manners.*

*Thanks for the success you have brought to the school  
Now you are leaving, that is not cool!  
We know you will continue to help those in need  
And to spread the Good News wherever you lead.*
